NU-ARBOR Soil Booster With Micronutrients

Warning
May cause skin or respiratory irritation, causes eye irritation, harmful to aquatic life
Avoid breathing mist. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area. Avoid release to aquatic environment. Wear protective gloves/clothing/eyewear/face. If on skin: Wash with plenty of soap and water. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do, continue rinsing. Call a poison center/doctor if you feel unwell. If skin or eye irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse. Dispose of contents/container in accordance with local/regional/national regulations.

Compatible with N-P-K fertilizers:

This product is intended as a supplemental to a regular fertilization program and will not by itself provide all the nutrients normally required by plants.

Directions for use:

Apply NU-ARBOR Soil Booster as a topical ground spray or as a soil injection into the root zone. Apply with backpack sprayers, conventional ground rigs or soil injection equipment.

Spray Mixture: Blend 4oz of Soil Booster per gallon of water for backpack equipment and 8oz/100 gallons of water for spray tanks.

Application Rates: 1 gallon of the spray mix per 1000 sq. ft. for backpack applications. 50-75 gallons of water per 1000 sq. ft. for spray rig or soil injection equipment.

This fertilizer contains boron, copper, manganese, zinc, iron and molybdenum and should be used only as recommended. Misuse may result in injury to plants or animals. This product does not contain nitrogen, phosphate or potash and should not be recommended as a substitute for macronutrient fertilizers.

Guaranteed Analysis:

Boron (B)	0.05%
Cobalt (Co)	0.05%
Copper (Cu)	0.10%
Iron (Fe)	0.25%
